

The Singing Snippets

Concerts 2023

ANCA Concert Hobart Sings

In September, we sang in a workshop conducted by Aaron Powell. A number of choirs performed the workshop songs plus their own songs in concert.

Scintillating Screen Sounds

Just for a difference, we presented a delightful November concert in Scots Memorial Church in combination with Southern Districts Concert Band. We sang Screen songs from different decades including *Over the Rainbow*, *Cheers*, *Skye Boat Song* and *Colours of the Wind*.

Community Singing

We always enjoy singing carols to a large crowd at the *Lenah Valley Community Carols* and a small group of us sang carols at *Collinsvale Market*. Our annual pilgrimage to *Woodbridge Dawn Service* was no less humbling than in other years.

It was truly rewarding to contribute our song in commemoration of those who have worked, fought and died in war. After the service we enjoyed a natter over a delightful and huge breakfast in the Woodbridge school hall.

Social

Hidden talents in our choir members surface when chatting amongst ourselves and promoting the sales of snags at the *Bunnings Fundraiser Sausage Sizzle*.

Lots of hilarity singing Karaoke at our final 2023 rehearsal night.

Love is in the Air

We were honoured to watch Suze and Toby marrying in March. So gorgeous!
