### **Brookfield—Singing In The Vines**

On 22nd April, 3pm call for 4pm performance. Admission is \$10, Concession \$5.00. As always please invite your family and friends. Maple will make some flyers to promote this concert and also a small program for our audience.

### **Town Hall Concert**

Sunday 14th October matinee with rehearsal Friday 12th October.

### **Vaucluse Concert—25 March**

Vaucluse made \$120.00 and was very successful with a varied program.

Maybe next concert should be held at a later time of 2.30pm.

### **Plugged concert venue**

Several suggestions have been made as using St Virgils School Hall has not worked out as we had hoped. Irene will follow up. We hope that we can still share the concert with a school group.

### **Bring a Friend Night**

Very successful—with 15 visitors that night! Subsequently 5 new people have started

## TSC—Some Dates For Your Fridge

April 22nd	Singing In The Vines @ Brookfield 3pm call
August 25th	Bunnings BBQ fundraiser
Oct 14th	Town Hall Concert - Songs Around the World
Oct 28th	Bruny Island Concert

### MD Report

Everything that we sang at Vaocluse can be used in Plugged Concert. Songs from Around the World will feature some of our recently learned items.

We are still Soprano heavy - (not saying that the Sopranos need to lose weight, just that there are a lot of you!)

We need to buy more copies of sheet music that we are planning to use so that we have 51 copies

Cygnets suggest sharing a concert at Kettering but dates may be difficult to coincide. Maybe an August Weekend at Cygnets or Huonville.

### Let's be sociable!!

Do you have any ideas of what to do and where to do it? Soup n sandwich? Please have a chat with a Committee Member, or send an email if you have any ideas.

### Blue Skies

We sold that music to Diamond Valley Singers from Victoria. 3 other choirs were also interested.

### Charity Concert at Wesley Hall

In November to be in aid of the Guide Dogs.
